Spirit of America
Vol. 16
Uniquely Personal, 2nd Ed.

Documentary Photos by David Joseph Marcou, Mainly Taken Recently in Wisconsin.

Inspired by the memory of my vital dad, David A. Marcou Jr.; my still-living mom, Rose C. Muskat Marcou; my son Matthew, his wife, Jessica Amarnék Marcou, and their key children-to-be; all our great relatives, friends, associates, coverage-subjects, publishers, publicists, readers, and archivists, plus the Providence of God.

“David J. Marcou’s American pictures are authentically patriotic, and his pictures of people, uniquely personal.”
– Emeritus British Journal of Photography Editor Jon Tarrant.

“The people are sometimes posed, sometimes revealed unaware of the photographer. David’s work is, in key respects, his own view of history, told through the gestures and expressions of notables, ordinary folks, and those near and dear to him…."
– Emeritus UW-La Crosse Art Photography Prof. Roger A. Grant.
