For God, & my family & friends, always.

*“As Prentice Vaughn has said similarly: Not everything in life is free, but there's nothing else in life that beats BEING free.”

*“No man is so old as to believe he cannot live one more year”—Sean O'Casey.

*“There's just always going to be something special about tactile over digital. The weight and texture of paper in your hand—it brings a new life to the work.”—Blurb of San Francisco.

SA63 is DvJM’s 148th book; he is Wisconsin’s most prolific living author.
